

Critter Canteen Water Bottle

Refreshingly Easy:

- 1. Fill It!**
Remove the bottle hanger, rinse bottle thoroughly and completely fill the bottle.
- 2. Cap It!**
Screw on the cap tightly and flip the bottle over.
- 3. Hang It!**
Wrap hanger around the bottle and attach the hook to the cage to lock the bottle into position.

NOTE: A few initial drips are normal while the vacuum forms.
